Dear Sir / ma'am,

I am writing to express my interest in the designer position as advertised. With a strong background in both web development and graphics design, I am excited about the opportunity to contribute to your team.

In my previous role as a web developer, I honed my skills in front-end and back-end development, including proficiency in HTML, CSS and various web frameworks. I have successfully delivered multiple projects, showcasing my ability to create responsive and visually appealing websites that meet clients' needs.

Additionally, my experience in graphics development has equipped me with a keen eye for design and a deep understanding of visual aesthetics. I am proficient in Adobe Creative Suite, including Photoshop, Illustrator, and InDesign, allowing me to create captivating graphics and illustrations that enhance the user experience.

I am confident that my technical skills, combined with my creativity and passion for design, make me a strong candidate for this position. I am eager to bring my unique blend of skills.

Thank you for considering my application. I look forward to the opportunity to discuss how my background, skills, and enthusiasm align with the goals of Company. Please find my resume attached for your review.
