PROFILE :

I have completed my studies at CBSE and DU. I'm a web designer and developer based on HTML, CSS, JS, jQuery, Ajax, Bootstrap, PHP, CodeIgniter, and MySQL, Basic SQL. My mind is open to various opinions and solutions. I'm really eager to learn new stuff and hobbies. I like my designs to be aesthetically pleasing, interconnected, and not so boring. most interested in Bootstrap, PHP, and MySQL-based websites.
