PROFILE :   I have completed one year as an ambitious and talented Front-end developer with excellent technical skills and creating high quality, visually stunning web applications. I am well versed in HTML, CSS, JavaScript, Bootstrap and jQuery in addition to having proficient knowledge of contemporary front-end development concepts. I can work well with cross-functional teams to ensure the delivery of exceptional user experiences. My dedication extends to keeping up-to-date with the newest technologies and trends in my field.

EMPLOYMENT HISTORY :

Jan 2024 - Present   **Frontend Developer at Paras Parivaar PVT. LTD**.   **Shalimar Bagh, Delhi**

I joined Paras Parivaar PVT. LTD. as a full time Forntend developer. I have developed many dynamic websites for Paras Parivaar PVT. LTD. To develop that website I use HTML, CSS, JS, jQuery, BOOTSTRAP AND PHP Basics programming language.

Apr 2022 – Nov2022   **Web Developer Intern at JagatMitra Foundation**   **Rohini, Delhi**

I joined JagatMitra foundation as a web intern. I have developed some static and dynamic websites for JagatMitra foundation. To develop that website I use HTML, CSS, JS, and BOOTSTRAP programming language.

EDUCATION:

2021 – 2023   Diploma in Computer Application, IICS   **Pitampura, Delhi**

2021 – 2024   Bachelor of Arts, Delhi University   **Delhi**
