Ankit Rajput

UI/UX Designer & Web Designer

👤 PROFILE

I am a passionate and detail-oriented fresher specializing in UI/UX design and frontend development. With strong skills in HTML, CSS, and JavaScript, as well as proficiency in design tools like Figma and Adobe XD,I excel at creating responsive, user-friendly web applications. I enjoy solving complex problems through intuitive design and collaborating with teams. Dedicated to continuous learning, I am eager to contribute to projects that enhance user experience and drive business success.
